SUBJECT: MLS Statistical Reports

---

Attached please find copies of the MLS Statistical Reports for  
**June 2008**

**PLEASE NOTE**

If you are going to be utilizing the MLS Statistical information for public mass-media advertisement or in other public representations, use of that information must be in accordance with Section 21 of the MLS Rules and Regulations.

**SECTION 21.USE OF DATA AND INFORMATION IN ADVERTISING:** For purposes of public mass-media advertising or other public representations, the MLS itself and any Participant may use data or information taken from the “statistical” report or from any “sold” or “comparable” report contained in any MLS Compilation. Notwithstanding the foregoing, any advertising or other public representation permitted pursuant to the preceding sentence, irrespective of form, format or medium, shall be accurate and not misleading, shall clearly state the period of time covered by such advertising or other representation and shall include the following, or a substantially similar notice:

“Based on information provided to and compiled by MLSGateway.com, Inc. covering a period (06/01/08) through (06/30/08). MLSGateway.com, Inc. does not guarantee or is in any way responsible for its accuracy”

MLSOK shall have no liability or responsibility for the truth or accuracy of any data or information contained in any advertising or other public representation made or sponsored by a Participant and/or by any of its affiliated Licensees, and each of such Participant and its affiliated Licensees hereby agrees to indemnify MLSGateway.com and to hold the MLS harmless from and against any liability, damage, cost and expense arising from or out of any such advertising or other public representation.

If you have any questions, please feel free to contact Audrey Bean at the Association Office.
